AT WORK IN THE WORLD

Our land is indeed desolate: poisons float around in the air, toxins flow in our streams and lakes, and chemicals pollute the soil. The land is forsaken because of *the tensions and the tragedies of sin*, and forsaken, too are many of the people who live on the land. Or to put it in terms of today's Gospel, the wine has run out and the party seems to be over.

It does not have to be that way, however. The people can be *called 'My Delight,' and your land 'Espoused'*. There is still choice wine left to be experienced: the party does not have to end. We can *sing to the Lord a new song*.

Two things will have to happen for things to change. The first is the action of the Lord. Jesus' hour has come. We must turn to him, as Mary did, and have confidence in his power to effect change. The other thing is the application of our gifts to the solution of the problems afflicting our land and the people living on it.
