If you have questions about this program in general or are interested in becoming a volunteer, please email Martha Pelster at pelsterbutzer@comcast.net or contact the parish office. **Note:** The Sunday School of Religious Education is a separate program; for more details about registering for Fall 2010 classes, please contact the parish office.

OTHER ITEMS OF INTEREST

Leave a Legacy of Faith: St. Mary's Cathedral Parish and School are planning for the future and would like to create new sources of funding parish programs and school support through endowments - permanent funds that are invested and the earnings used for ongoing support. The way we plan to build endowments is through legacy gifts from parishioners in your will, life insurance, trust or retirement plan.

Careful estate planning will convey your wishes for the distribution of your assets. Take the opportunity to plan your legacy. We hope you will remember St. Mary's Cathedral Parish and School in your legacy plan. Various ways to leave a Legacy of Faith to Cathedral are through bequests in a will, a percentage or remainder of your trust or a transfer of existing IRA and/or life insurance proceeds.

Legacy gifts are used to preserve Church buildings and parish ministries, and to make an excellent Catholic education possible for those who can least afford it. Our legal name is: St. Mary Catholic Cathedral of the Immaculate Conception Church or St. Mary Cathedral of the Immaculate Conception School, Portland, Oregon. For more information about leaving a Legacy of Faith, contact Father George Wolf at 503.228.4397 or the school Principal, Dr. Diane Cronin at 503.275.9370.

The Jesuit Volunteer Corp. is opening a house for six volunteers in Hillsboro this August and is desperately seeking six gently used mattress/box spring sets and bed lamps for the volunteers. Please call Gail Kingsley at 503.241.2521 if you or someone you know can donate.

Grief Recovery Weekend: Are you, or someone you love, grieving the end of a marriage from a death or a divorce? A Grief Recovery Retreat for the widowed, separated and divorced will be held the weekend of July 23-25 at the Griffin Center in Milwaukie, near Clackamas Town Center. The retreat consists of presentations by Beginning Experience team members, periods for private personal reflection and sharing in small groups. The weekend begins on Friday evening and concludes Sunday afternoon. The cost of \$195 includes lodging for 2 nights in a double room, meals and resource materials. Special arrangement may be made for payment, and partial scholarships are available. Please call Margi Harp at 503.390.7971 for more information. You could also email using this address: margi8280@comcast.net. Additional information may be found on the website of International Beginning Experience at beginningexperience.org.

A DIFFERENT WAY

Martha understood the place of women in their society. Like Sarah in the first reading, women were to bear children and cook the meals. They were to clean the house, like Martha was doing, and they were not to sit at the feet of the master educating themselves, like Mary was doing. Martha demands that Mary be made to 'play the woman', but Jesus will not go along with the stereotype: *Mary has chosen the better portion and she shall not be deprived of it.*

How much women have suffered over the centuries because of the perception of their proper role! How much they have filled up in their own flesh *what is lacking in the sufferings of Christ!*

We are called by God to a different way. *He who does justice will live in the presence of the Lord.* Justice to women is life in the presence of God: justice in the home, justice in the school, justice in the marketplace, justice in the business world, justice in the church. *She shall not be deprived of it:* such is the firm declaration on the Savior of men and women.

“Sixty percent of all women work in only ten occupations, and most new jobs for women are in areas with low pay and limited chances of advancement.

Many women suffer discrimination in wages, salaries, job classifications, promotion, and other areas. As a result, they find themselves in jobs that have low status, little security, weak unionization, and few fringe benefits.

Such discrimination is immoral and efforts must be made to overcome the effects of sexism in our society.”
