

**God Speaks to Us through the Art of Cinema
Grasping His Lessons
Every artist is somehow inspired (breathed upon) by the Holy Spirit, the
Creative Breath of God**

Evaluate the artistic elements of cinema (the creativity) of this movie. Rate the following:

1 = good 2 = very good 3 = excellent 4 = outstanding

___ Script (the storyline)

___ Acting (the main actor)

___ (The supporting actor)

___ Directing (cinema is mainly the director's art)

___ Cinematography (the vision and perspectives)

___ Sound track (music and sound)

___ Editing (combining the sequences for effectiveness)

___ Content (the issues dealt with) – to be discussed after the above rating are shared (what are the most difficult issues a movie can deal with?)

List several of the issues dealt with in the movie you just viewed:

List of Movies for 2010:
